

Accredited Coaches Physiotherapy Cover

Health SportsCare cover

- ✦ This is an automatic benefit for Accredited Coaches
- ✦ The service includes an administration triage call, a physiotherapy assessment, up to 4 physiotherapy treatment sessions based on the patient's clinical needs as specified by the treating physiotherapist.
- ✦ Individual coaches can access the service up to 4 separate times per year for different unrelated injuries. Each time they access the service they will be provided with the administration triage call, a physiotherapy assessment and up to 4 physiotherapy treatment sessions
- ✦ There are no additional costs including:
 - No administration costs
 - No excess or contribution to pay
 - No tax to pay as this service is not classed as a benefit in kind or another taxable contribution
- ✦ There is no requirement for a GP referral
- ✦ The physiotherapy treatment provided is delivered by private physiotherapists and is not an NHS treatment service

Eligibility Criteria

- ✦ Treatment would be provided to a coach who suffered a musculoskeletal injury as a result of an identifiable fortuitous incident that prevented the coach from coaching for three days.
- ✦ Cover for wear and tear and overuse injuries would not be included
- ✦ This is available for up to 4 separate, non-related musculoskeletal injuries in each accredited period.
